- |    |     |
|----|-----|
| 1. | 6.  |
| 2. | 7.  |
| 3. | 8.  |
| 4. | 9.  |
| 5. | 10. |

## Farm Guidelines :

- Walk and stay together with your group.
- No food or snacks except in designated areas with access
- Please help us ensure that students use quiet, calm voices and slow movements around farm animals.
- Please silence or turn cell phones to vibrate during your field trip experience.

## Get your group thinking! :

- Use one of your five senses to observe the farm. What do you notice?
- What did you think of that \_\_\_\_\_ (ox, cabbage, garden, house)?
- What does this remind you of?
- How does this make you feel?
- Can you connect this to anything you have learned in school?
- How is this different from what we do today?
